EDUCATING TOMORROW'S TRANSPORTATION PROFESSIONALS TODAY

August 2011

Message From the President, Sally Lubinski

As summer nears its close, our thoughts turn to fall: vacations, going back back-to-school, and getting back to Delta Nu Alpha meetings and activities. Chapters will begin their meetings in September, we will be finalizing plans for our TEC being held in Milwaukee this October.

Many changes are happening that affect transportation and logistics; CSA rulings, lack of trucks, lack of drivers, carriers at capacity, unemployment, up and down stock markets we could go on and on. How do we stay on top of these issues? Through Delta Nu Alpha!! Network with other professionals in the Industry. Encourage students and others to get involved and bring new ideas to the table.

Delta Nu Alpha continues to grow and find new ways to communicate to our members, but we need your help to sustain this momentum. Why not join a chapter, becoming a board member, continue to support and encourage others to join so we can continue to be a force in this industry for the future. **If you are interested in becoming part of the National Delta Nu Alpha Board, please email us at admin@deltanualpha.org. Elections will be held October 8.**

Hope to see you in October.

Regards,
Sally
